

WaveTruck

AUTOMATIC SUCTION CLEANER

www.firstchoicepool.com

The WaveTruck is the smart choice for a pleasant and peaceful pool environment. Pattern programmed steering quietly leads the cleaner with predetermined turns to provide thorough cleaning of the pool's surfaces.

Enjoy your pool and let the WaveTruck do the hard work.

The WaveTruck automatic suction cleaner features:

- Programmed movement for better cleaning
- Efficient, quiet operation
- Engineered for enhanced durability
- Simple installation, no additional tools required
- Easy grip roll bar handle
